Texas Speech Communication Association

Dear TSCA and Nominating Committee:

I am happy and honored to write my acceptance of being nominated for the consideration of Vice President-elect of this esteemed organization. I am humbled to be considered and hope that you find that I have the skills, determination, and leadership capability to help serve the Texas Speech Communication Association in the coming years.

I am a 20 year educator because it is in my nature to lead, instruct, and help others. I find the possibility of serving others in this organization, which helps so many in all levels of communication education in the state of Texas, exciting. For 20 years I have been a member of this organization and the prospect of serving as Vice President-elect brings the contributions, experiences, and memories of TSCA and its impact in my world, full circle.

I have enclosed a resume of TSCA service for your review.

Sincerely,

Katrese Skinner
